### **COLLEGE ANTHEM**

Atop the hill stands  
Our temple of learning  
Wangkhaohao Government College  
Light up the candle, brighten the corner  
*Lux in Tenebris* we behold  
When dark and cold  
A pledge we all uphold  
Strive and excel in all  
There wafts a fragrance so sweet  
To heaven we offer and plead  
A place so ideal absolute  
To thee we offer heartiest praise

(Former Principal)**

## CHOICE BASED CREDIT SYSTEM (CBCS)

As part of the Human Resource Development initiative toward New Education Policy 2020, the University Grants Commission (UGC) has developed a comprehensive and broad-based Choice Based Credit System (CBCS) to be uniformly implemented by all Higher Education Institutions across the country at the Undergraduate and Post Graduate level. This system offers opportunities to explore additional avenues of learning for holistic development while pursuing specialization in the chosen subject of studies.

The Choice Based Credit System will be implemented at the institution from the 2022-2023 Academic Session onwards with B.A. Honours Programme in English, Education, Economics, History and Political Science.

### OUTLINE OF CHOICE BASED CREDIT SYSTEM

1. **CORE COURSE:** These Courses are to be compulsorily studied as a core requirement for the programme. The contents of the Core Courses shall be as per the UGC Model Curriculum for the subject/ discipline concerned. The papers under this category are going to be taught uniformly across all the colleges under Nagaland University.
2. **ELECTIVE COURSE:** Generally, a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course. There are two types of Elective courses under CBCS. These courses may be intra-departmental, i.e. Discipline Specific Elective (DSEC) as well as inter-departmental, i.e., Generic Elective (GE). For the students of the same discipline/ subjects, these elective courses shall be intra-disciplinary and shall be called DSE Courses. If the students of other discipline/ subjects (within the Programme) opt these electives shall be considered as interdisciplinary and shall be called GE courses.
3. **DISCIPLINE SPECIFIC ELECTIVE (DSEC) COURSE:** Elective courses offered under the main discipline/subject of study are referred to as Discipline Specific Elective.
4. **GENERIC ELECTIVE (GE) COURSE:** An elective course chosen from an unrelated discipline/subject, with an intention to seek exposure beyond discipline/s of choice is called a Generic Elective. The purpose of this category of papers is to offer the students the option to explore disciplines of interest beyond the choices they make in Core and Discipline Specific Elective papers. A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice versa and such electives may also be referred to as Generic Elective.

Students are advised to choose Generic Elective papers from other subjects in such a way that the knowledge gained from the generic elective papers enriches the study of the Core Honours course of the student.

5. **ABILITY ENHANCEMENT COMPULSORY COURSE (AECC):** “AECC” courses are the courses based upon the content that leads to Knowledge enhancement;

- i. Environmental Science
- ii. English.

These are mandatory for all disciplines.

6. **SKILL ENHANCEMENT COURSE (SEC):** SEC courses are value-based and/or skill-based and are aimed at providing hands-on-training, competencies, skills, etc.
