

Report on Parent-Teacher Association

Dated: 23⁰⁹/2022

The Parent-Teacher Program at Wangkhao Government College aimed to foster collaboration and communication between educators and parents for the holistic development of students. The program, which was held on September 23, 2022, provided a platform for parents and teachers to engage in meaningful discussions regarding students' academic progress, extracurricular activities, and overall well-being.

The program began with a warm welcome from the Vice Principal, who provided an overview of the college's vision, mission, and key academic initiatives.

The President of the Parents Teachers Association discussed Improved Academic Performance, Positive Behavioral Changes, and Increased Parental Engagement.

Mr. H David Konyak, Assistant Professor, provided a briefing on the CBCS system, and the program was chaired by Ms. Chongti Khiam, Assistant Professor.

Parents had the opportunity to visit classrooms, observe teaching methodologies, and interact with subject teachers. This firsthand experience facilitated a deeper understanding of the educational environment.

Dated: 28th September, 2022

Report on action taken based on the feedback/suggestions received during parent-teacher meeting programme held on 23rd September 2022 at the college auditorium.

The following actions are to be taken for furthering increased parental engagement:

1. Further programmes involving parent-teacher meeting to be initiated for increased parental engagement.
2. Concerned parents/guardians will be called to discuss the performance of those students who fail to meet the required 85% attendance in a semester.
3. The concerned parents/guardians will be informed if the students are performing poorly in class tests and other internal activities.
